TRANSGENDER AND GENDER NONCONFORMING (TGNC) POLICY

TEAM CAPTAIN

Each team entered in an Intramural Sport must have one designated captain who will act as a liaison between the team and the Department of Recreational Sports. A captain may only represent ONE men's / women's team and ONE co-rec team for any given sport.

Responsibilities of a team captain:

1. Find out the most convenient time for the majority of team members to play and register your team.
2. Complete and pass the online preseason captains quiz through IMLeagues.
3. Have teammates register on IMLeagues and added to the roster before games begin.
4. Check the eligibility of each participant before and during the season. Inform the participant that they may only play on one men's/women's team and one co-rec team.
5. Find out from players on your team if they are members of a UGA Club Sport team. The captains are responsible for making sure that their team is not breaking the club player rule (see page 5) – Club Sports Members and Intercollegiate Athletes.
6. Be familiar with the rules and regulations governing each sport, deadlines, mandatory meetings, and the policies of the intramural sports program concerning forfeits, defaults, sportsmanship, etc.
7. Keep the team informed about the game site, time, opponent, uniform color, and any other pertinent information.
8. Inform participants that they will have to present their UGA ID CARD before every game.
9. Be responsible for the conduct of participants, coaches, and spectators before, during, and after each contest.
10. If a participant is ejected, or a problem arises during the game, it is the captain’s responsibility to inform that player of the penalty as it is stated in Disciplinary and Ejection Policy Section on page 14.
11. Inform participants they are responsible for all injuries incurred while participating in the program. Encourage injured participants to go to the University Health Center, however minor the injury may seem.
12. Check the contest schedule on a daily basis. This is particularly important if games have to be postponed due to inclement weather. Keep your team members well informed.
13. Act as a team spokesperson on and off the playing area. If there are any questions, please ask. The Competitive Sports staff is here to assist you.

1. If a team name is deemed inappropriate, the team's name will be changed to “Team” and the captain’s first and last name (I.E. Team John Doe). If the Competitive Sports Staff has to alter a team name, there will be no opportunity to change it.
2. If a team name is repeated within the same sport it will be the team name followed by the captain’s last name (I.E. Team X – Smith).

ELIGIBILITY GUIDELINES
It is the responsibility of the intramural sports team captain to ensure that each member of his/her team is eligible to participate. Any questionable cases should be brought to the attention of the Competitive Sports professional staff so that an official ruling can be obtained.

The Competitive Sports office expects participation to be based on one’s self-identified gender and that it is done in good faith and consistent with a player's expressed gender identity.

1. To participate in the Intramural Sports program, students must either be a fees paid student or a part time student with a Ramsey Membership. **Spouses/Domestic Partners** of a student may participate in intramural sports if a UGA Dependent ID Card is purchased at the Tate Student Center and they possess a Ramsey Center Membership.
2. To participate in the Intramural Sports program, Faculty/Staff full-time or part-time or retired University employees must have a membership to the Ramsey Student Center. **Spouses/Domestic Partners** of Faculty/Staff and retired staff may participate in Intramural Sports if a UGA Dependent ID Card is purchased at the Tate Student Center and they possess a Ramsey Center Membership.
3. In order to participate in the Intramural Sports program, an individual must have paid the activity/recreation fee for the current semester and the Unlimited Intramural Sports Pass. When they purchase the Pass, they will sign a participation waiver.
4. All participants are required to present his/her own UGA ID card or a government issued photo I.D. prior to every contest. A Ramsey Center membership or recreation/facility fee AND Intramural Sports Pass are required for all Intramural Sports.
   a. A student that loses his/her UGA ID card must purchase another one at the Tate Student Center room 309. No replacements will be made after 4:30 pm, Monday - Friday.
   b. If a participant loses their UGA ID card on the weekend, they will not be permitted to participate in a contest until a new card is purchased (this will affect any participant with a Sunday game).
5. Individuals may participate on one single sex league and one Co-Rec team.
   a. All violators will be suspended from further participation in that sport for the remainder of that season, this includes postseason. Teams may also be penalized for using ineligible participants.
6. Any individual who participates on more than one team during any sport season and/or participates under an assumed name shall be suspended from participation in that sport for at least the remainder of the season. Participation on a team during a Preseason Tournament or during a scrimmage game will not constitute being on that team’s roster. Any illegal participant and the team captain could be suspended from future Intramural Sports if it is deemed warranted.
7. A participant is **not** permitted to transfer from one team to another after participating in one scheduled regular season game.
8. Teams found to be playing with non-students who are ineligible will forfeit any game with said participant(s), and will not be eligible for the postseason tournament.
9. Additions to a team’s official roster may only be made prior to the time that the individual(s) participate in a game via IMLeagues.
10. League Rosters are limited to a specific number for each sport: (20) flag football, softball and kickball. (15) Volleyball, basketball, soccer, ultimate frisbee, dodgeball, team tennis and inner-tube water polo. (8) For all 4v4 sports. (4) For team golf.
11. Women are eligible to participate in men’s intramural sports leagues only when a women’s league is not offered for that particular sport.

12. Summer Sports: In order to be eligible to participate in a summer intramural sports program, they must meet the preceding criteria. In addition, all summer participants must be able to provide a valid UGA ID Card and be able to provide proof of registration for the previous spring, current summer or upcoming fall classes if asked by a member of the Recreational Sports professional staff.

**IMPROPER USE OF IDENTIFICATION**

1. If a Competitive Sports Staff member determines that an individual is attempting to check-in with false identification for any Intramural Sports contest, the ID will be confiscated, and that individual will not be allowed to play. The individual will be ejected and asked to show proper identification. If the individual refuses or fails to show proper identification or cooperate fully with the Competitive Sports staff on site, the team captain will also be ejected from the contest. If the Competitive Sports Staff determines that the team captain was aware of the individual’s use of improper identification, then that team may forfeit its game and be subject to removal from the league.

2. Both parties involved will be suspended from ALL Competitive Sports participation as detailed in the updated disciplinary and ejection policy on page 14.

3. If the rightful owner of a confiscated ID wishes to retrieve the ID the same evening it was confiscated, they may do so at the site where it was taken by showing government issued identification to the Competitive Sports site manager to prove that the ID is being returned to the correct person. Otherwise, the individual may pick up his/her ID at the Competitive Sports Office inside the Ramsey Student Center beginning at 9am the business day following said confiscation. The owner must speak to a Competitive Sports professional staff member to retrieve the ID as well as provide proper identification to verify his/her identity.

**CLUB SPORTS MEMBERS AND INTERCOLLEGIATE ATHLETES**

1. A club sports member is defined as any individual who is on the club sport’s roster and participates in practices and/or plays in games. Once you are on or considered on the club team these restrictions apply for the entire school year (August 1st through July 31st). Those who violate this rule will be subject to further penalty outlined in the disciplinary section of the Participant Guide.

2. A club sports member shall be eligible for intramural participation in the sport of his/her specialty with the following restrictions. Volleyball, 4v4 outdoor soccer, and 4v4 volleyball teams are restricted to having only ONE such participant on its roster. All other IM Sports can have TWO such participants on its roster. All co-recreational teams can have one female club player and one male club player. No co-recreational teams can have multiple same gender club players on their roster.

3. Any recognized organizational team that travels and competes will be subject to the same rules as club sports members.

4. Intercollegiate teams will be defined as those teams sponsored by the Athletic Department. A member of an intercollegiate team (those listed on the current and/or previous year’s roster) will not be allowed to participate in intramural activities in that sport or a similar sport (I.E. baseball & softball) during the academic year. A member of an intercollegiate team is defined as a person whose name is on the roster or is working out or participating with the team. If the athlete has sat out without practicing or playing with the intercollegiate team for at least one calendar year from their last participation they will become eligible to participate in the IM sport of their specialty.

5. A varsity athlete that played a team sport (football, soccer, etc.) at a NCAA Division I School during the previous academic year is ineligible to participate in a specific or related sport for intramural sports after August 1st. An individual that participated in an individual sport (tennis, golf, etc.) at any NCAA Division I School must sit out two years before becoming eligible for intramural competition.

6. Any team choosing to play with a former varsity athlete, who will be playing his/her specific or related sport, must sign up for the competitive league. All former athletes must still meet the required eligibility guidelines (See Eligibility Guidelines on page 4).
7. A former Olympic, National, Junior National or professional team member may not participate in the sport of his/her specialty or a similar intramural sport until four (4) years have elapsed since their Olympic, National, Junior National or Professional experience.

8. A former or current intercollegiate athlete or club sport member may appeal his/her status relating to restrictions in a particular sport.

LEAGUE SPORTS AND DIVISION PLAY

At the beginning of each semester, the Intramural Sports program will advertise the sport leagues and special tournaments that will be offered for the semester. At that time, a team captain will be responsible for registering his/her team for the day and time they are able to participate.

1. League sports normally take place Monday through Thursday from 5:00 pm – 11:00 pm and Sunday leagues run from approximately 1:00 pm – 11:00 pm; all days and times are subject to change.

2. Leagues are designed to provide an opportunity for our participants to compete against players with similar skill and interest levels.
   a. Any league noted as “Competitive” is designed for participants who are looking for a competitive match up against other teams as well as to win games. Teams who enter a competitive league may have participants who played in varsity high school sports, hold practices, or may be looking to participate in extramural tournaments. These teams are playing to win.
   b. Any league noted as “Recreational” is designed for participants who are looking to participate in games/matches for fun. A team who enters recreational leagues do not associate winning with the primary objective of its participation in the Intramural Sports program. These teams are playing for fun.

3. When registering a team, captains will select which league to join. Depending on the sport, the league format will adhere to one of the following:

<table>

<tr>
<th>A</th>
<th>B</th>
<th>C</th>

   a. To be eligible for the Fraternity and Sorority leagues, **ALL** participants must be active members and/or pledges properly recorded in the IFC/Pan-Hellenic/NPHC Office. As long as an individual has met all other participant guidelines he/she may represent a fraternity or sorority in this league. Fraternities and Sororities are only permitted to sign up one team in the fraternity and sorority leagues, additional teams may play in the Recreational, Competitive or Women’s Leagues.

4. After a captain has selected one of the above listed leagues, he/she will then be asked to select a division. These divisions denote which day and time the team would like to participate. Once in a division, a team will be scheduled against other teams for the regular season.

5. Teams will be scheduled for at least three games during the regular season. The Competitive Sports staff cannot guarantee that all regular season games will be played due to the possibility of foul weather conditions, facility space, and time constraints within the semester. The department is not responsible for defaults or forfeits.
   a. Games that are postponed due to rain or field conditions are not guaranteed to be rescheduled. The Competitive Sports staff will do their best to reschedule games cancelled due to inclement weather, but a guarantee may not be made due to facility space, time restrictions, and/or field conditions.
   b. Any rescheduled games will be posted on the website and teams will be responsible for verifying their schedules.

6. For all league sports, schedules will be made and posted to the intramural sport website after 1:00 pm on the Friday after the entry deadline has past. If any changes are made to the schedules after this time (before or during the season), the team captain will be notified immediately via e-mail or by phone.
7. A team that does not forfeit during the regular season and meets the sportsmanship requirements (maintaining an average of a 3.0 or better during the regular season) will be eligible for the postseason tournament. (see Sportsmanship section)

POSTSEASON TOURNAMENT GUIDELINES

1. After the conclusion of an intramural sports season, there will be an online tournament bracket draw hosted on the IMLeagues website.
   - Long onto IMLeagues.com, through shop.recsports.uga.edu, right before your scheduled time
   - On your personal home page (if you don’t think you are on the right page, just click your name in the upper right hand corner of the screen), a message should pop up with a countdown timer letting you know when it is your team's turn to pick
   - Click on the countdown timer message
   - Each team will have two minutes to choose their spot in the bracket before the next team is able to choose
   - If you miss your time slot, you can long in any time after your time slot until a specified end time to make your choice
   - After the specified end time we will automatically assign you a game time
   - Please pay close attention to the time and day that you are picking, as well as the games following farther down the bracket. There are no changes allowed once you choose

2. Participant Eligibility – To be eligible for the postseason tournament, participants must be on the team’s roster before the conclusion of the regular season. Participants who are on the team’s roster must meet all eligibility guidelines.

3. Rescheduling due to weather - In the event of inclement weather and game cancellations, all tournament games may be moved to the next available day. Captains are responsible for checking the intramural sports website for updates. If games have been cancelled teams are encouraged to check the updated schedule because the tournament schedule may be affected. When possible, the game times and locations will remain the same but there is no guarantee.

4. A team is ineligible for the post season tournament if their team has 2 ejections in one sport. If a team's second ejection occurs in the playoffs, the game will be ended at that time and their opponent will be credited with the win.

POSTSEASON TOURNAMENT FORMAT

1. The postseason tournament for all league sports will consist of one single elimination tournament per league. If the number of teams permits, sports offering Competitive and Recreational leagues will adhere to the following tournament format:
   a. Division Breakdowns
      i. If 96+ teams qualify for the tournament, it will be divided into three tournament brackets (A, B & C).
      ii. If 4-95 teams qualify for the tournament, it will split into two tournament brackets with 4-0 Recreational League teams moving to the A Tournament and the 0-4 Competitive teams being dropped to the B Tournament.
   b. Three League Format
      i. During the regular season, teams who achieve a record of .500 and above (4-0, 3-1, and 2-2) in the competitive league will participate in an “A” league tournament.
      ii. Competitive teams who finish with a record below .500 (1-3 and 0-4) will participate in the “B” league tournament.
      iii. Teams who participate in the recreational league, and earn a record of above .500 (4-0 and 3-1) will participate in the ”B” league tournament.
iv. Recreational teams who finish with a record of .500 and below (2-2, 1-3, 0-4), will participate in the “C” league tournament.

c. Fraternity League teams will be considered a men’s competitive league.

d. If a team has received a win by default or forfeit and feels it should be considered for a different league tournament than the one its record indicates, the captain is responsible for notifying the competitive sports staff at least one week prior to the postseason captain’s meeting. The competitive sports staff will evaluate each request individually. After a request is submitted there is no guarantee that the team will be moved. The Competitive Sports staff has the final decision on the placement of teams in the tournament brackets.

2. All fall and spring semester leagues will follow a single elimination tournament format where the captain will select a contest time and location for his/her team at the postseason captain’s meeting.

AWARDS

Championship T-shirts will be awarded in the following divisions: Women’s, Men’s, and Co-Recreational All Campus; A-League, B-League, and C-League (when applicable).

FORFEITS

During all intramural sports activities, the onsite staff has the ability to declare a contest a forfeit. The Competitive Sports staff will have the official time for all contests and activities. A forfeit is declared when a team fails to show for said contest or activity. Forfeited games are un-played games that are recorded as a loss toward the teams’ overall record.

1. Teams will be granted a five minute grace period from the original start time. After this period, all participants are required to be checked in with the Competitive Sports staff and ready for play. If no one from a given team is present at the site after this grace period, the contest will be declared a forfeit (I.E. If a game is scheduled for 5:30 pm, and the clock reads 5:35 pm the game is a forfeit).

   a. If the game before your scheduled game runs past the five minute grace period, the conclusion of that game will become the next games forfeit time.

2. If a team is deemed to have forfeited a contest, the team must pay $20 to “buy-back” into the league. Payment must be made with the Membership Services Staff at the Ramsey Student Center by 10:00am on the business day of the team’s next contest. Teams that forfeit during the regular season and buy back in will be eligible to compete in the postseason tournament. Sunday leagues must pay by the Friday prior to their scheduled game.

   a. The only exception to the “buy-back” fee is if a team forfeits a game that is not scheduled on its regular day of play. A team that falls into this exception will receive a loss for the missed game, but no “buy-back” fee will incurred. The team will remain eligible for the postseason tournament.

3. If a forfeit has been declared, the teams involved may still use the game site to practice or scrimmage, until fifteen minutes prior to the start of the next contest. During this time, the competitive sports staff is not permitted to officiate or keep score, and participants will be playing at their own risk.

4. If a full team is present, it must sign in the minimum number of legal participants. These participants must be ready for play in order for the contest to be considered a win by forfeit. If a team leaves before a forfeit is declared by the competitive sports staff, the game will be declared a double forfeit. Make sure all new players at the game sign in to ensure that they are on the roster, making them eligible for the postseason. This needs to be done prior to leaving the fields. If a team is deemed to have forfeited a contest, the team must pay $20 to “buy-back” into the league. Payment must be made with the Membership Services Staff at the Ramsey Student Center by 10:00am on the business day of the team’s next contest. Teams that forfeit during the regular season and buy back in will be eligible to compete in the postseason tournament. Sunday leagues must pay by the Friday prior to their scheduled game.

   a. The only exception to the “buy-back” fee is if a team forfeits a game that is not scheduled on its regular day of play. A team that falls into this exception will receive a loss for the missed game, but no “buy-back” fee will incurred. The team will remain eligible for the postseason tournament.

   A team will automatically be removed from the league if it receives two forfeits during a particular season.

5. A team will automatically be removed from the league if it receives two forfeits during a particular season.
NOTE: A refund request will not be granted for contests not played due to a default or forfeit. 2 Defaulted games will be treated the same as a forfeit.

DEFAULTS

During all intramural sports activities, the onsite staff has the ability to declare a contest a default. The Competitive sports staff will have the official time for all contests and activities. **A default is declared when a team fails to have the minimum number of legal participants ready for play for said contest or activity.** Defaulted games are recorded as a loss toward the team's overall record.

1. A team may default a game prior to the scheduled game time by contacting the competitive sports professional staff by 3:00 pm the day of the scheduled game. A team contacting the competitive sports professional staff after 3:00 pm will be required to default its game at the game site.
   a. Teams wishing to default a game scheduled on Sunday are required to contact the competitive sports professional staff by 3:00 pm on Friday prior to the game.
   b. **To default a game, please call 706-542-5060 or email compsports@uga.edu**

2. Teams will be granted a five minute grace period from the original start time. After this period, all participants are required **to be checked in** with the Competitive Sports staff and **ready for play**. If a team is present, yet fails to meet the minimum number of legal participants required for play after this period, the contest will be declared a default. This means if a game is scheduled for 5:30 pm, and the clock reads 5:35 pm the game is a default. Competitive Sports Staff has the official time.

3. Two defaults during the season is equivalent to one forfeit.

4. Any team that defaults three games during the regular season will be dropped from competition.

5. If a team has been granted a default and the contest is then cancelled due to weather or a scheduling issue, the default will be removed and the contest will be played normally if it is rescheduled.

INCLEMENT WEATHER/LIGHTNING POLICY

When participating in outdoor sports, the weather plays a large role in the ability to play. If there are any questions about the playing conditions for the night, please check the Intramural Sports website (www.recsports.uga.edu) or the weather hotline (706-542-8648). The website and the weather hotline will be updated with the most current information by 3:00 pm of that day if possible. The Competitive Sports onsite staff has the ability to postpone or cancel outdoor sports at any time if deemed necessary. Intramural contests that are cancelled due to inclement weather may or may not be rescheduled based on field availability and time constraints. For further information on the rescheduling of games, please refer to league sports and division play (League Sports and Division Play page 6).

1. **Lightning**: At the Recreational Sports Complex, our facility is equipped with a lightning detector. If inclement weather occurs and lightning is detected within three to eight miles of the facility, participants will be asked to leave the playing areas and find cover. At this time, games will be suspended for at least thirty minutes. Games will resume from the point at which they were paused if no lightning has occurred during this thirty minute time period. If the storm persists the Competitive Sports staff will make a decision on whether to cancel or continue waiting. The on-site staff will not know if games will be rescheduled. That decision will be made by the Competitive Sports Professional staff and teams will be notified of the decision.

2. **Site Conditions and Rain**: Recreational Sports staff reserves the right to cancel games due to standing water on the playing areas or other unsafe conditions. If games are cancelled due to inclement weather or poor field conditions, the fields will be closed and teams will not be allowed to use the fields.

PARTICIPANT CONDUCT

1. The playing field is not a venue for physical or verbal abuse and will not be tolerated.

2. Each team is responsible for the actions of each of its members and fans before, during, and after any game or activity. Failure of a team to cooperate with officials or to control and restrain any individual members is cause for suspension.

3. In the event an individual and/or spectator conducts himself/herself in an unsportsmanlike manner during intramural competition, the Competitive Sports staff have the complete authority to take action as they deem necessary in order to keep the game under control. Depending on the severity of the incident, which would be left up to the staff's judgment, the Competitive Sports staff may take the following action: give warnings, ejection from the game and the area, and/or suspend the game.

4. Unsportsmanlike conduct is unacceptable. Reports of such behavior will be investigated by the Competitive Sports staff. In doing so, the individual(s) and/or team(s) involved may be questioned and required to submit a written or verbal statement of the incident.

5. Fighting includes, but is not limited to combative acts such as:
   - An attempt to strike, punch or kick by using a fist, hands, arms, legs or feet regardless of whether contact is made.
   - An attempt to instigate a fight by committing an unsporting act that causes a person to retaliate by fighting (See NFHS Rulebooks).

6. Ejected participants and disruptive fans must remove themselves from the area immediately. Failure to comply within one minute will result in a team's default. If a team is behind and fails to comply, its next game will also be defaulted which results in being ineligible for the playoffs.

7. Player is ejected until they meet with a Competitive Sports professional staff member.

8. A participant who commits two (2) unsportsmanlike penalties/fouls in a game will be ejected from the game and will be subject to sanctions found on page 14 in the Disciplinary and Ejection Policy section of this guide. Three (3) unsportsmanlike penalties, technical fouls or yellow cards in a season will result in that participant being suspended for a minimum of one game.
   - A participant that receives their fourth (4) an unsportsmanlike penalties, technical fouls or yellow cards in a season will result in that participant being suspended for the remainder of the season.

9. Unsportsmanlike behavior after a game may result in suspension and/or a default for the next game.
10. Any incident judged to be of serious concern will be referred to University Police and/or the Office of Student Conduct.

**SPORTSMANSHIP RATINGS**

Each team will receive a sportsmanship rating from each official at the conclusion of the game. The scale will be: 5, 4, 3, 2, and 1.

The officials will rate each team using the following guidelines:

- **(4 pts) Above Average** – Given to a team when there is no incident of poor sportsmanship.

**MERCY RULE**

Intramural Sports aims to create an environment that is enjoyable and safe for all of its participants. Most sports that are offered have a "mercy rule" that defines when the Competitive Sports staff will end the game without penalty. The mercy rules for each sport are located in the Sport-Specific Rules.

**PROTESTS**

If a team is found to be in violation of the eligibility guidelines it will be removed from the tournament. The team faced prior to the protest will advance in the tournament; all prior rounds will remain the same.
i. If a protest is filed after the championship game, and is upheld, there will be no champion declared for that league. The game will not be replayed or rescheduled.

2. Protests may be filed regarding the rules at the game site. During play, if a team wants to protest, it must be filed with the official or supervisor on site using the word “protest” BEFORE the play resumes. Once play has continued a protest will not be honored. **Protests may not be filed with regard to judgment calls.**

**EXTRAMURAL TOURNAMENTS**
Participation in Intramural Sports at The University of Georgia allows students to connect with each other and develop friendships within the campus community. Some sports provide an opportunity for students at UGA to connect with others at different universities while competing at a higher level and representing UGA. These extramural tournaments take place at the state, regional and national levels for flag football, basketball and softball.

Teams that are interested in participating in these tournaments should be on the lookout for qualifying tournaments held on campus and dates for state tournaments. If you or your team is interested in competing at the next level please contact the Competitive Sports Staff at any time for information and updates.
