## A Note of Appreciation from the Director

Greetings from the University of Georgia Department of Recreational Sports and the Ramsey Student Center! After last year's success at our first-ever Scholarship Fund Golf Tournament, which raised over \$7,500 and included 85 players from across the Southeast, we are excited to offer another great day at the UGA Golf Course. This year's tournament will be held Friday, April 28, and all proceeds will benefit our new student scholarship fund.

We refer to our student workers as the "Ram Fam," short for "Ramsey family." As one of the largest employers on campus, with over 550 student workers, the "Ram Fam" is an important facet of campus life. We advocate for healthy lifestyle choices by promoting development, growth and education through the spirit of recreation.

Over a third of the students in our "Ram Fam" are currently on need-based aid, and require financial help to attend college. Establishing this scholarship fund gives us a way to further support these students as they serve the over one million visitors a year that come through our facility.

Students working in Recreational Sports programs and facilities gain practical experience in tandem with their education that they can use in their future professions, including customer service, conflict management, leadership skills, and time management. With your partnership, we will be able to not only be a part of these students' growth, but help ease the financial burden of their college attendance.

Thank you for your support of these deserving students.

# UGA Recreational Sports Scholarship Fund Golf Tournament

## Friday, April 28 at the UGA Golf Course

Lunch, snacks and beverages will be provided.  
Every golfer will receive a tee gift.

### Format: Scramble

Four-player teams compete against one another in a scramble format. Game-play begins with each player teeing off. The best of these tee shots is selected. All team members then play their second shot from that location, and again choose the best shot. Play continues in this manner until the hole is completed. The team then records its score and maintains that format for all 18 holes.
