

## Ramsey Student Center Membership Policies

### General Facility Usage

[Click here for facility usage policies.](#)

Please note that policies are subject to the discretion and interpretation of the on-duty area/facility manager.

Individuals with a disability who may need special facility accommodations should contact Recreational Sports in advance to discuss possibilities by calling 706-542-5060 or visit the Admissions Desk upon arrival. Program-specific accommodations need additional time and should be addressed to the specific administrator of that area.

### Refund Policy

Full refunds are issued if the Department of Recreational Sports cancels a class, activity or program. All other refunds are charged a \$15.00 processing fee. Classes, activities and programs costing less than \$15.00 are not eligible for a refund.

Refunds are only granted in cases where there is a documented medical condition that precludes completion of the class, activity or program. If a refund is warranted, it is pro-rated based upon the class, activity or program start date.

### Health Insurance

All individuals participating in a recreational activity assume responsibility for their health. It is recommended that all individuals who intend to participate should have a physical examination beforehand for their own protection.

The University of Georgia does not provide health insurance coverage for accidents or illnesses incurred while participating in a recreational activity or on recreational facilities. It is recommended that each individual secure his or her own accident/health insurance policy.

The University recommends that each participant explore one of the following insurance alternatives:

- Your own insurance from an independent provider
- Parental insurance coverage
- Student-provided insurance coverage via [UGA Human Resources](#)

Complete information about student health insurance requirements and policies can be found on the UGA Human Resources website at <http://www.hr.uga.edu/mandatory-plan>, by calling (706) 542-2222 or emailing [gshiplan@uga.edu](mailto:gshiplan@uga.edu) for more information.
