

## FITNESS STUDIO STEREO USE

**Purpose:** To outline the usage and guidelines for use of stereos in the fitness studios

**Scope:** Professional Staff, Part-time Staff

**Policy:**

- I. ACCESS TO STEREO IN FITNESS STUDIO SPACES
  - a. Only Fitness & Wellness staff will have access to the stereos in the fitness studios.
  - b. Individuals and student organizations who have reserved the fitness studio space should provide a device such as a portable Bluetooth speaker or stereo to amplify sound in fitness studios.

**Procedure(s):**

- I. STEREO USAGE GUIDELINES
  - a. Stereos are to be used only for group fitness classes.
  - b. The master volume of a stereo should never exceed “10” on the stereo dial. If additional volume is needed, please adjust your device.
  - c. If using Bluetooth connectivity, please press the small button on the back of the Bluetooth receiver and look for the “Amazon Basics” connection in the Bluetooth device settings.
  - d. All music must be clean in language and content.**
  - e. After use, “forget device” to ensure a Bluetooth connection no longer remains and possible interference is not present and power down the stereo amp.
  - f. Additional items should not be left in the stereo trays. Please pick up all belongings.
  - g. All hard surfaces should be wiped down with a gym wipe following use.
  - h. Stereos should be properly powered off and locked up with the appropriate stereo keys returned to their place after usage is complete. Failure to do so will result in a loss of future stereo privileges.
